* Partition Crates are available as per your requirement

Pharma Grade Industrial Buckets

The advantages of Chemical Buckets / CV Tanks

- One Piece design for strength
- Corrosion free SS Handles for Buckets
- Weather resistance
- Washable and chemical resistant
- Stress free
- Superior service life
- Lid to protect materials in CV Tanks

Code No.	Capacity
WP-CB 12	12 ltrs
WP-CB 16	16 ltrs

Food & Intermediate Tanks

CAPACITY

Code No.	Litres	Height	Dia
WP-CV3	30	415	345
WP-CV5	50	460	430
WP-CV10	100	650	500
WP-CV20	200	940	555
WP-CV50	500	1285	825
WP-CV100	1000	1475	1110

Dimensions in mm

Store & Assembly Bins

Code No.	Length	Width	Height	Front
WPBIN-15	200	126	101	45
WPBIN-25	230	150	126	60
WPBIN-35	300	210	160	82
WPBIN-45	350	211	200	107

Dimensions in mm

* Powder coated steel frames and stands also available in various configurations

Advantages

- Partly open front for ease of assembly line work
- Can be modularly racked horizontally / vertically
- Can be used as ideal assembly units with label holders for easy identification of parts/components
- Can be mounted on lower panel
