### SPINNING TUBES

### FLYER BOBBINS

### CONES & CHEESES

### AUTO DOFFING RING TUBES

# White Plaast

Your Reliable Yarn &  
Material Carrying Partner

VELPLAST, a 30+ year old  
company with 100+ skilled team  
located in 4 state-of-the-art plants at  
Pondicherry & Coimbatore having 600+ clients.

SPINNING TUBES ▪

FLYER BOBBINS ▪

CONES & CHEESES ▪

PERFORATED DYE CONES/DYE CHEESES ▪

STEAM PROOF YARN CARRIERS ▪

DOFFING & DONNING CRATES ▪

#### Features

- Within DIN ISO 368 Standards.
- Ring tubes & bobbins are available for frames of LMW, KTTM, Rieter, Zinser, Marzoli, Suessan, Toyado / Howa, Chinese etc.,
- Made of superior grades of polymer for speed beyond 1400 rpm (ABS, PP) Highest accuracy of concentricity (ie. means lesser no. of end breaks, lower stretch %, low CV%, etc.,)
- Available with or without startup band (for Roving catch)
- Large variety of colours (incl. fluorescent colours)
- Cones available in 3° 30, 4° 20, 5° 57 conacity in various polymers for steaming and non steaming applications.
- Cheeses available for OE, TFO, DRT Winding Machines in various diameters.

# PERFORATED DYE CONES / DYE CHEESES

- Available perforated cones with cone angles - 3° 30, 4° 20, 5° 57.
- Produced from best Engineering polymers for sturdiness and stability.
- Suitable for single use and multiple use, with required fitting specifications.
- Suitable for various water hardness conditions and steam settings to with stand temperature up to 130° C.
- Minimised eccentricity and Quality within DIN ISO standards.
- Double colour yarn carriers are also available

## STEAM PROOF YARN CARRIERS

Higher grip, Heat & Impact resistant polymer, Weather resistant colour, Higher fitting tolerance  
(We suggest the spinner to consult us before buying steam proof yarn carriers)

# CRATES FOR DOFFING & DONNING

### POPULAR SIZES BEING USED BY SPINNERS

Code No.	Litres	Length	Width	Height
WPC 2.01	20	400	300	220
WPC 2.51	25	400	300	250
WPC 3.01	30	400	300	300
WPC 5.01	50	525	360	305
WPC 6.01	60	600	400	285
WPC 7.01	70	600	400	320
WPC 9.03	90	600	400	430
WPC 11.01	110	600	400	485
WPC 22.01	220	820	545	540
WPC 25.01	250	825	565	600
WPC 30.01	300	940	625	520
WPC 35.01	350	940	625	540
WPC 40.01	400	1145	760	635

Dimensions in mm

- \* Partition Crates are available as per your requirement.
- \* Perforated Crates are also available as per your requirement.
- \* We have wide range. Please contact us for further sizes.
